**Betreff:** Important news for the MEDICHEM Membership with this Interim-Newsletter

**Wichtigkeit:** Hoch

Dear MEDICHEM Members,

This Interim-Newsletter I would like to send you as an e-mail, because of some very important News for you.

As a first:

Our Treasurer, Steffen Hitzeroth made it possible, in cooperation with his assistant Andrea Cuadrado and Dawn Keough, Shoreland, that you **from now on can pay online directly from our MEDICHEM Homepage** at the following link: <http://medichem.org/membership.asp#paymentlinks>. In future the dues are solely to be paid via this link or via bank draft, or international money order, as described.

I kindly ask you, who have not yet paid your Membership dues for this year (or some of you also not for the last year(s)), to pay immediately. Especially for those of you attending the General Assembly in Seoul it is **important to be in “good standing”, to be able to vote**.

As a second:

The new **MEDICHEM Constitution** is adopted by your vote. You can find it at our **“Members Only Menu”** at [www.medichem.org](http://www.medichem.org). Here I have put some more actual information for you, like the **Minutes of MEDICHEM Board Meetings and General Assemblies**, or our **MEDICHEM Reports to ICOH**. I would have loved to inform you already today that the **Member List** from 2006 is updated with all your valuable information on your special fields of expertise or interest and your actualized address data. However, even though I am thankful for the 64% of you who have already sent your **Handbook Updating Form**, the rest has still to complete it and send it to me. After Seoul I hope to be able to put the actual data for your usefulness at our Members Only Menu.

You can enter our Members Only Menu with our **password “worldlink”**.

As a third:

Please find our brand new **Flyer “MEDICHEM in Brief”**, which will be put into 4000 Congress bags at the ICOH Congress in Seoul, together with the **“Mark the Date”** information and the **Application for MEDICHEM Membership-Form**. In the attached online versions all links are active. Therefore they are useful for you to **pass on all three to colleagues in your occupational surroundings** who might be interested to become a new Member of MEDICHEM.

As a fourth:

At our MEDICHEM Homepage you now can find an actual list of our **MEDICHEM National Representatives** to give you direct access to a contact person in your country, currently 39 countries (some are requested or to be appointed): <http://www.medichem.org/members.asp>.

As a fifth:

You will find the direct links giving you detailed information on our **MEDICHEM Meetings in Seoul**, including time, theme and location of our meeting rooms, at our homepage: <http://www.medicchem.org/congresses/default.asp>.

I hope these information have been of interest for you.

Best regards,

Maren
