Wichtigkeit: Hoch

Dear MEDICHEM Members,

At first I would like to thank you: Most of you were so kind to answer my latest e-mails.

A last very important request is concerning our MEDICHEM Constitution. **Please be so kind to complete the attached Ballot-Form and send back to me until April 20, 2015.**

According to our Constitution,

ARTICLE 12 AMENDMENTS TO THE CONSTITUTION

Amendments to the MEDICHEM Constitution may be proposed by the Board or by a group of at least 20 members, and are either submitted to the full Membership for approval by ballot, or to the General Assembly (cf. Article 8).

During our last Mini-Board Meeting on Wednesday, April 1, 2015 in Heidelberg we discussed our Constitution. Please find our suggested corrections of our Constitution in the attachments, one with accepted corrections to be able to read easier, the second with visible changes to make corrections transparent for you. Most of the corrections are of pure editorial nature. For more prominent changes please find the commentaries in the second copy.

Thank you in advance for your kind cooperation.

Best regards,

Maren Beth-Hübner
